Dear Mr Peter Adcock,

This letter can be used as written confirmation that your organisation is at the 'application stage' of certification and is committed to achieving certification.

I wish to confirm Australian Wetlands Pty Ltd has committed to BSI to achieve 3rd Party Certification to:

ISO 9001 – Quality Management System.

ISO 14001 – Environmental Management System.

AS/NZS 4801 – Occupational Health and Safety Management System.

This letter does not indicate the compliance status of the organisation's management system but the intent to proceed to achieving management system certification.

If you have any enquires on the above matter please do not hesitate to contact our office.

Yours sincerely

Benjamin Rieck
Business Development Manager
BSI Group Australia & New Zealand
Phone: 02 88 777 100
Email: ben.rieck@bsigroup.com

Valid to: 25th August 2011

Your window to international certification

The BSI Certification mark is used by organizations worldwide whose management systems have been assessed by BSI as fulfilling the requirements of a given standard or scheme. Displaying the mark shows that you have been certified by one of the most respected and reputable certification bodies in the world.
